

Who is Children International?

THE FACTS

Globally, about one in four children live in households with multidimensional poverty. This means that more than 560 million children lack basic necessities such as access to health care, clean water or enough food. Together with children, their families and our supporters, we believe poverty is solvable. Once you break the cycle of poverty for one child, you break it for generations to come.

ABOUT US

Bringing people together to end poverty for good. We give children in poverty the tools they need to create brighter futures for themselves and their communities. With the support of our donors and sponsors, children and youth gain the skills and confidence they need to create promising futures free from poverty.

our vision

We bring people together to end poverty for good.

WHERE WE WORK

Children International delivers programs and services to more than 218,000 children and youth with an impact on 1.7 million people in 10 countries: Colombia, the Dominican Republic, Ecuador, Guatemala, Honduras, India, Mexico, the Philippines, the United States and Zambia.

OUR PLAN OF ACTION

HEALTH: We partner with local clinics to help ensure children and youth can access health and dental services when they need them and to improve the quality of their overall care. Children and their families can also participate in programs such as nutrition support and adolescent health services.

EDUCATION: Supporters help children and youth meet educational milestones through programs focused on early childhood development, math and literacy tutoring, computer courses, STEM activities and more.

EMPOWERMENT: Through programs that build critical life skills such as leadership, teamwork and confidence, supporters help children and youth make their own futures brighter and then multiply that good in their communities.

INTO EMPLOYMENT®: Our key workforce development program provides access to education, technical and life-skills training, personal development opportunities and job-placement support. Thanks to our supporters, youth gain the knowledge they need for sustainable employment and financial stability.

AWARDS/RECOGNITION

- Children International meets the **Better Business Bureau** standards for charity accountability on all 20 of the categories measured.
- For more than a decade, **Great Nonprofits** has classified us as a "Top-Rated Charity," an honor reserved for the top 1% of charities.
